### **CP Capital Securities Establishes New Relationship with Morgan Keegan**

Miami, Florida – September 4, 2007 – CP Capital Securities today announced a newly established bond trading relationship with Morgan Keegan. A subsidiary of Regions Financial Corporation, Morgan Keegan is a premier regional investment firm specializing in fixed income instruments.

In its consolidated statement of financial condition dated June 30, 2007, Morgan Keegan listed total assets as \$3,420,871,942. In the fiscal quarter ending on that date, record earnings of \$50.1 million were also reported.

CP Capital's relationship with Morgan Keegan provides clients full access to one of the largest Fixed Income Capital Markets divisions off Wall Street—ranked among the nation's top underwriters of new issue agencies and municipal securities. With trading capabilities covering municipals, mortgage-backed, governments, corporate bonds and more, and with typically more than \$1 billion in total fixed income inventory, Morgan Keegan furnishes CP Capital Securities' clients world wide with numerous fixed income choices.
